

BIBLIOGRAPHY

- “Baseline Habitat Inventory and Mapping for Sacramento River Bank Protection Project, California -- Third Phase,” USFWS for the Sacramento District, U.S. Army Corps of Engineers, May 1990 (upper river) and July 1992 (lower river).
- “CALFED Bay-Delta Program Draft Programmatic Environmental Impact Statement/ Environmental Impact Report,” CALFED, 1998.
- “California Riparian Systems - Ecology, Conservation and Productive Management,” Richard E. Warner and Kathleen M. Hendrix, editors, 1984.
- “California’s Rivers, A Public Trust Report,” California State Lands Commission, 1993.
- “Central and Southern Florida Project Comprehensive Review Study, Reconnaissance Report,” Jacksonville District, U.S. Army Corps of Engineers, November 1994.
- “Central Valley Project Improvement Act, Draft Programmatic Environmental Impact Statement,” Bureau of Reclamation, September 1997.
- “Central Valley Project Improvement Act Tributary Production Enhancement Report,” U.S. Fish and Wildlife Service, Sacramento, California, 1998.
- “Civil Works Environmental Action Plan,” U.S. Army Corps of Engineers Institute for Water Resources, 1 June 1994.
- “Draft Sacramento River Conservation Area Handbook,” SB 1086 Advisory Council Riparian Habitat Committee, May 1998.
- “Ecosystem Restoration in the Civil Works Program, Draft Engineering Circular 1165-2-201,” U.S. Army Corps of Engineers, 30 June 1994.
- “Endangered and Threatened Wildlife and Plants; Determination of Threatened Status for the Delta Smelt,” U.S. Fish and Wildlife Service, 50 CFR Part 17, RIN 1018-AB66, <http://www.fws.gov/r9endspp/r/fr93492>.
- “Fish and Wildlife Program for Sacramento River Bank Protection Project, California, First Phase,” Sacramento District, U.S. Army Corps of Engineers, May 1980.
- “Geomorphic Analysis of Sacramento River, Colusa to Red Bluff Diversion Dam, River Mile 143 to River Mile 243,” prepared for the Sacramento District, U.S. Army Corps of Engineers, by Water Engineering and Technology, Inc., February 1990.

“Geomorphic Analysis and Bank Protection Alternatives Report for Sacramento River (RM 78-194) and Feather River (RM 0-28),” prepared for the Sacramento District, U.S. Army Corps of Engineers, by Water Engineering and Technology, Inc., May 1990.

“Geomorphic Analysis and Bank Protection Alternatives Report for Sacramento River (RM 0- 78), Feather River (RM 28-61), Yuba River (RM 0-11), Bear River (RM 0-17), American River (RM 0-23), and portions of Three Mile, Steamboat, Sutter, Miner, Georgiana, Elk and Cache Sloughs,” prepared for the Sacramento District, U.S. Army Corps of Engineers, by Water Engineering and Technology, Inc., June 1991.

“Historical and Present Distribution of Chinook Salmon in the Central Valley Drainage of California,” Yoshiyama, Ronald; Eric Gerstung; Frank Fisher; Peter Moyle. In “Sierra Nevada Ecosystem Project: Final report to Congress, Vol. III, Assessments, Commissioned Reports, and Background Information,” Davis: University of California, Centers for Water and Wildland Resources, 1996.

“North American Waterfowl Management Plan Progress Report, 1986-1989,” U.S. Fish and Wildlife Service and Canadian Wildlife Service.

“Proposed Recovery Plan for the Sacramento River Winter-run Chinook Salmon,” National Marine Fisheries Service, 1997.

“Recovery Plan for the Sacramento/San Joaquin Delta Native Fishes,” U.S. Fish and Wildlife Service, 1996.

“Results of 1997 Yolo Bypass Studies,” Sumner, T.; Nobriga, M.; Harrell, B., 1998.

“Riparian Forests in California, Their Ecology and Conservation,” edited by Anne Sands from a symposium sponsored by the Institute of Ecology and the Davis Audubon Society, printed August 1980.

“Sacramento Metropolitan Area, California, Feasibility Report, Environmental Impact Statement/Environmental Impact Report,” Sacramento District, U.S. Army Corps of Engineers, and State of California Reclamation Board, February 1992.

“Sacramento River and Tributaries, Bank Protection and Erosion Control Investigation, Sediment Transport Studies,” Sacramento District, U.S. Army Corps of Engineers, rev. August 1983.

“Sacramento River Bank Protection Project Agency/Interested Organizations Interview Records, Summaries, and Analyses,” prepared for the Sacramento District, U.S. Army Corps of Engineers, by Resource Consultants & Engineers, and Jones & Stokes Associates, Inc., November 1994.

“Sacramento River Bank Protection Project, Bank Protection Evaluation, Office Report,” Sacramento District, U.S. Army Corps of Engineers, October 1989.

“Sacramento River Bank Protection Project, Butte Basin Reach, Final Supplement III to Final Environmental Impact Statement and Final Environmental Impact Report,” Sacramento District, U.S. Army Corps of Engineers, January 1988.

“Sacramento River Bank Protection Project, Colusa Weir/Cobbs Bend Study,” prepared by Water Engineering & Technology, Inc. for the Sacramento District, U.S. Army Corps of Engineers, January 1991.

“Sacramento River Flood Control System Evaluation,” Sacramento District, U.S. Army Corps of Engineers, May 1988.

“Sacramento River Flood Control System Evaluation, Initial Appraisal Report - Marysville/Yuba City Area,” Sacramento District, U.S. Army Corps of Engineers, January 1990.

“Sacramento River Flood Control System Evaluation, Initial Appraisal Report - Mid-Valley Area,” Sacramento District, U.S. Army Corps of Engineers, January 1991.

“Sacramento River Wildlife Refuge Environmental Assessment,” U.S. Fish and Wildlife Service (date unknown).

“San Joaquin River Mainstem, California, Reconnaissance Report,” Sacramento District, U.S. Army Corps of Engineers, 1993.

“Sharing the Challenge: Floodplain Management into the 21st Century, A Blueprint for Change,” report of the Interagency Floodplain Management Review Committee to the Administration Floodplain Management Task Force Washington, D.C., June 1994 (a.k.a., *“The Galloway Report”*).

“Task Force Report on Environmental Policy Review,” 8 September 1994.

“Upper Sacramento River Fish and Wildlife Restoration, California, Reconnaissance Report,” Sacramento District, U.S. Army Corps of Engineers, 1994.

“Upper Sacramento River Fisheries and Riparian Habitat Management Plan,” The Resources Agency, State of California, January 1989.

“Upstream Salmon and Society in the Pacific Northwest,” National Research Council, 1996.

“Wetlands Losses in the United States 1780's to 1980's,” Dahl, T.E., U.S. Department of the Interior, Fish and Wildlife Service, Washington, D.C., 1990.
